

WordPress Developer Portfolio

Hello, I'm Buket Ozceylan!

Introduction

A Wordpress Developer passionate about creating sleek and intuitive web applications.

Vision & Mission Of My Life.

I believe life gains meaning through purpose, direction, and continuous growth. My vision and mission reflect who I am and who I strive to become — both personally and professionally.

Define a Purpose

Chase It Relentlessly

Every journey begins with clarity. I aim to live a life fueled by curiosity, creativity, and contribution — setting goals that align with my core values and passions.

Dreams without action are just wishes. I am committed to consistently learning, evolving, and pushing beyond comfort zones to turn my vision into tangible achievements.

Vision

To live a purposeful life that blends personal fulfillment, creativity, and meaningful impact — inspiring others through action and integrity.

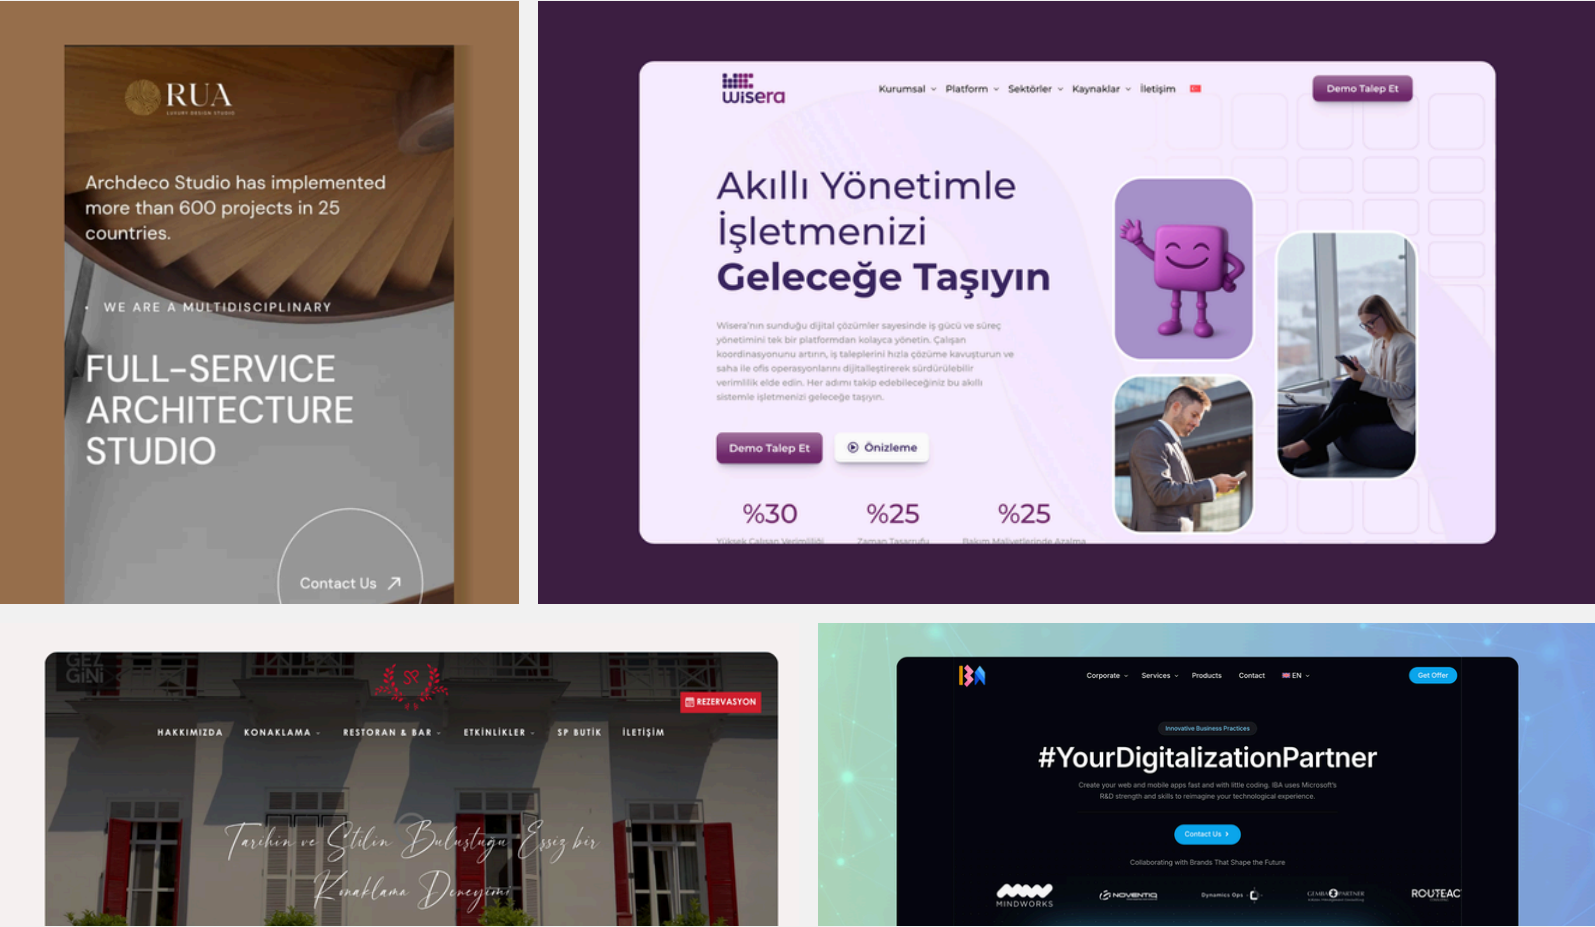

Mission

To grow through learning, connect through empathy, and create value through innovation — every single day.

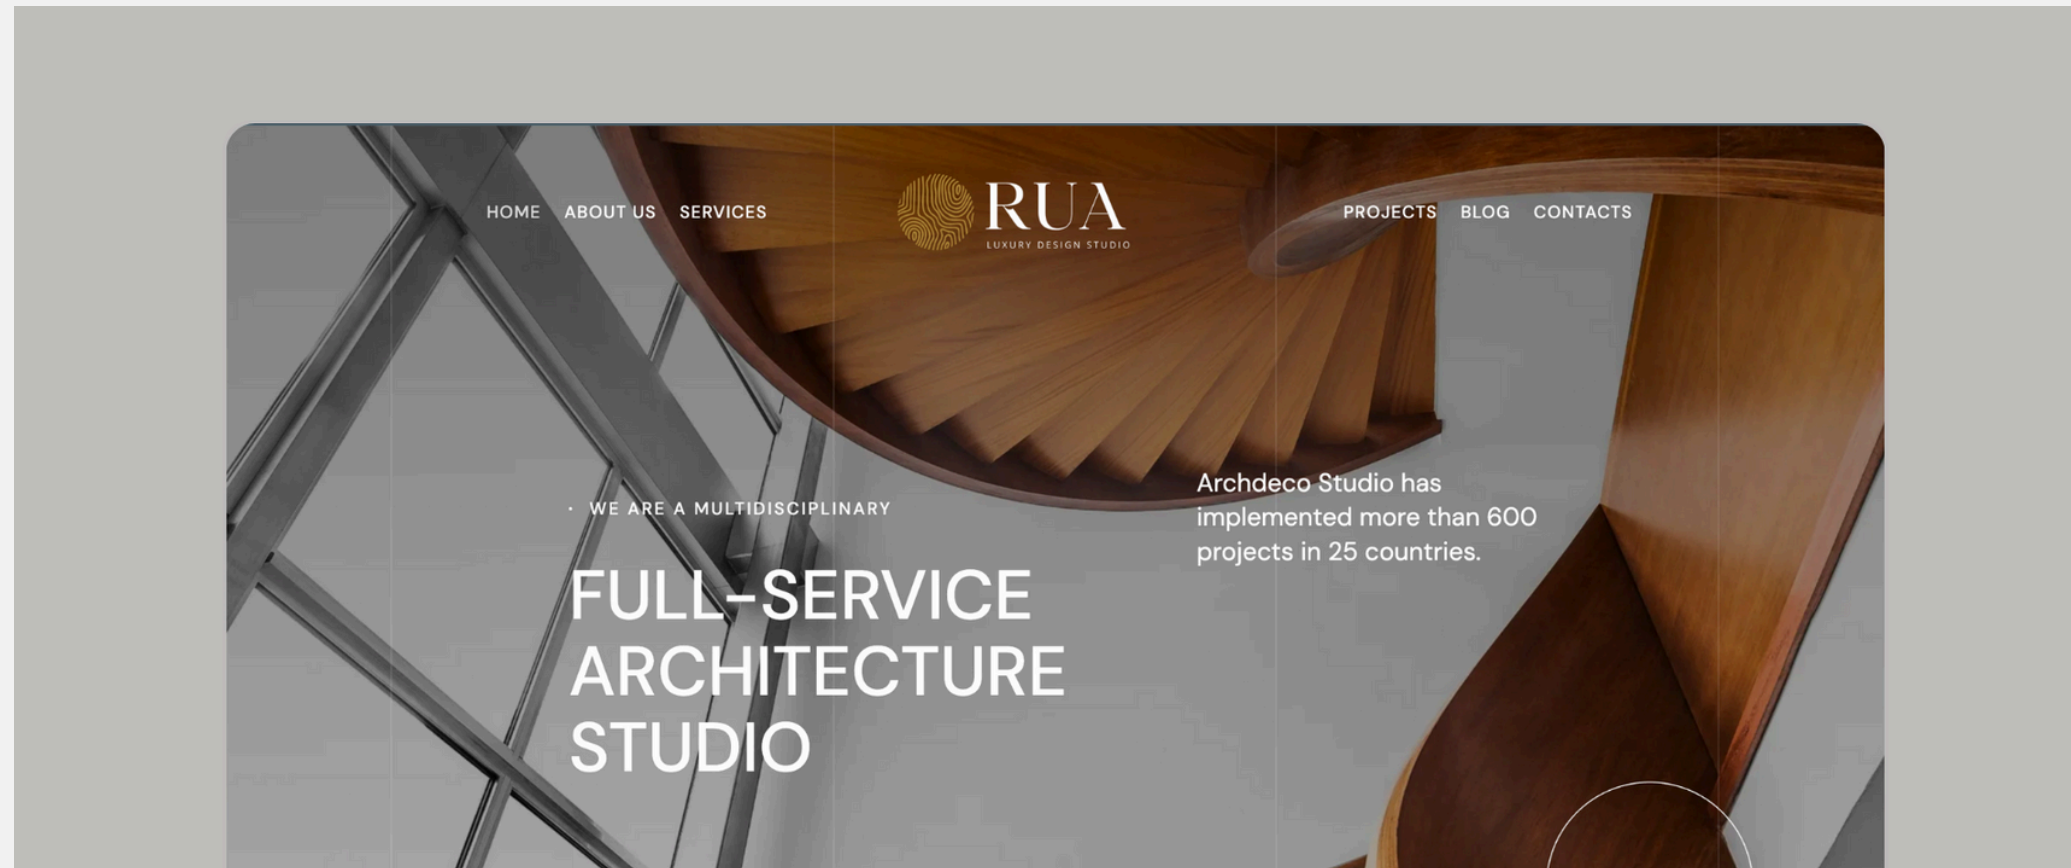

Portfolio Projects

Here is a curated selection of the projects I've worked on — each one a reflection of my problem-solving mindset, design sensibility, and dedication to user-centric digital experiences.

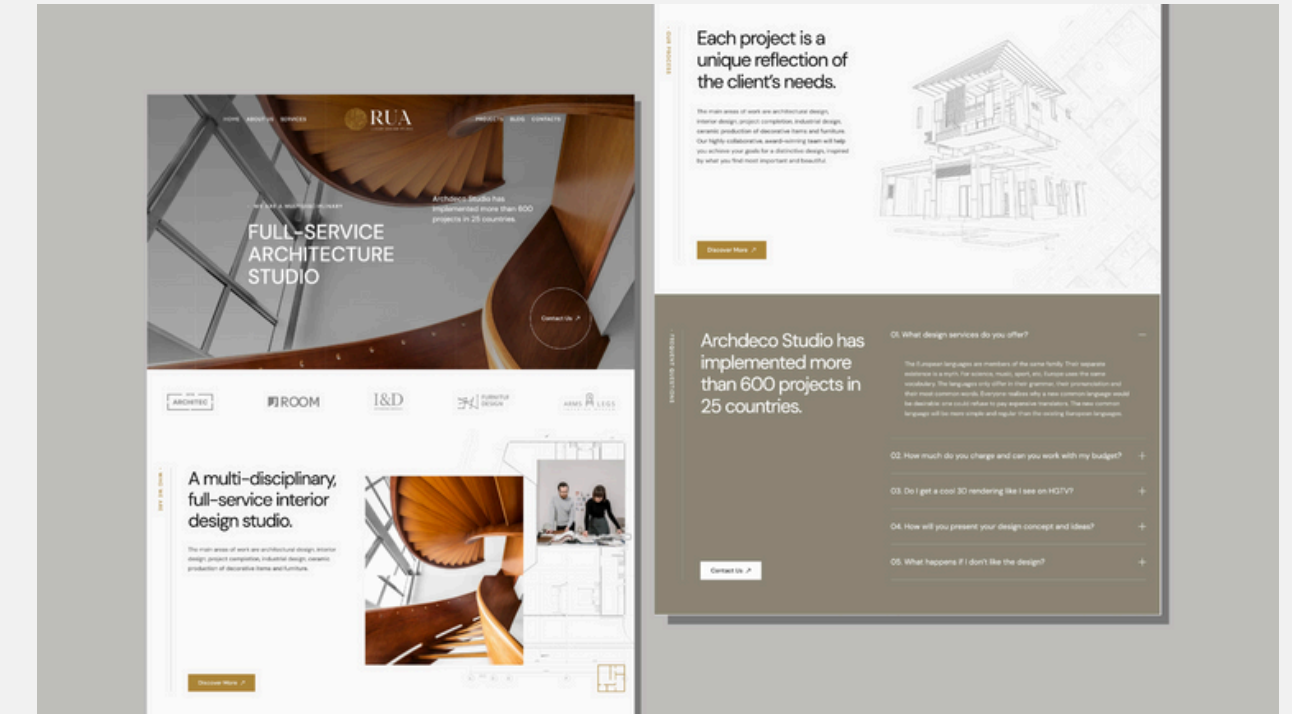

- Designed and developed responsive websites tailored to client needs.
- Focused on usability, performance, and clean code architecture.

From architecture studios to digital transformation platforms, each project showcases my versatility across different industries and design approaches — blending functionality with aesthetics.

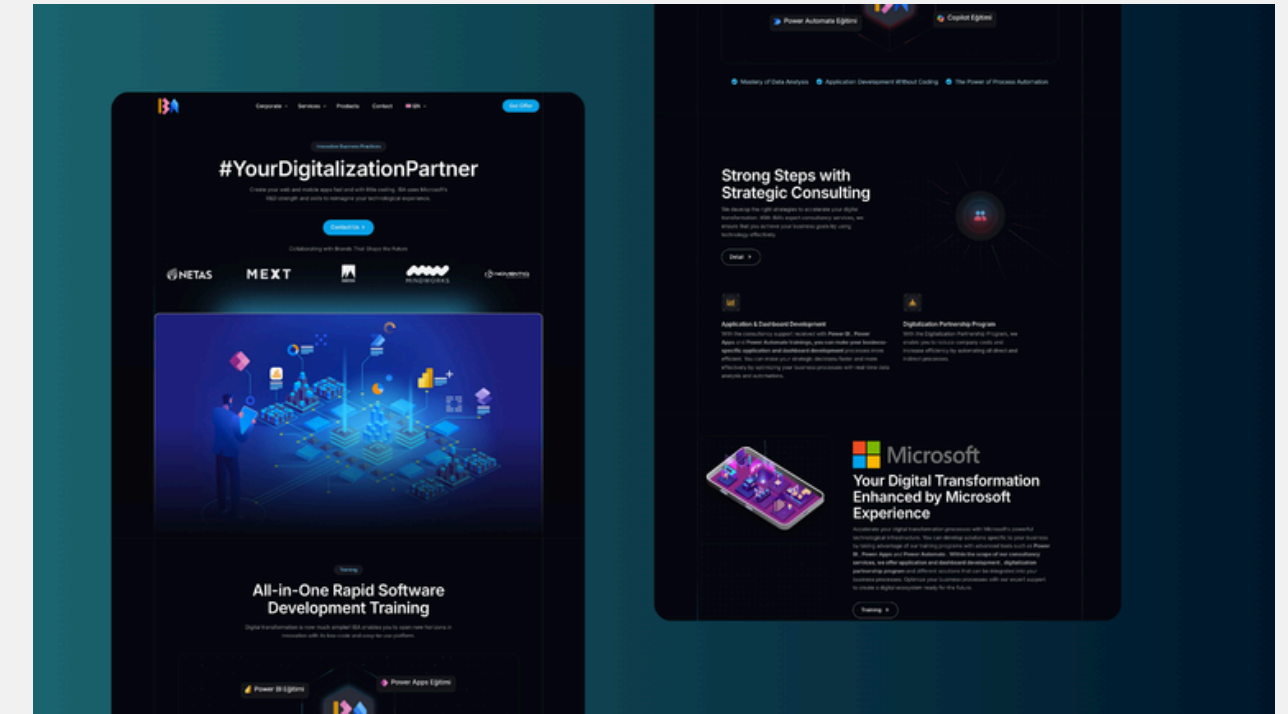

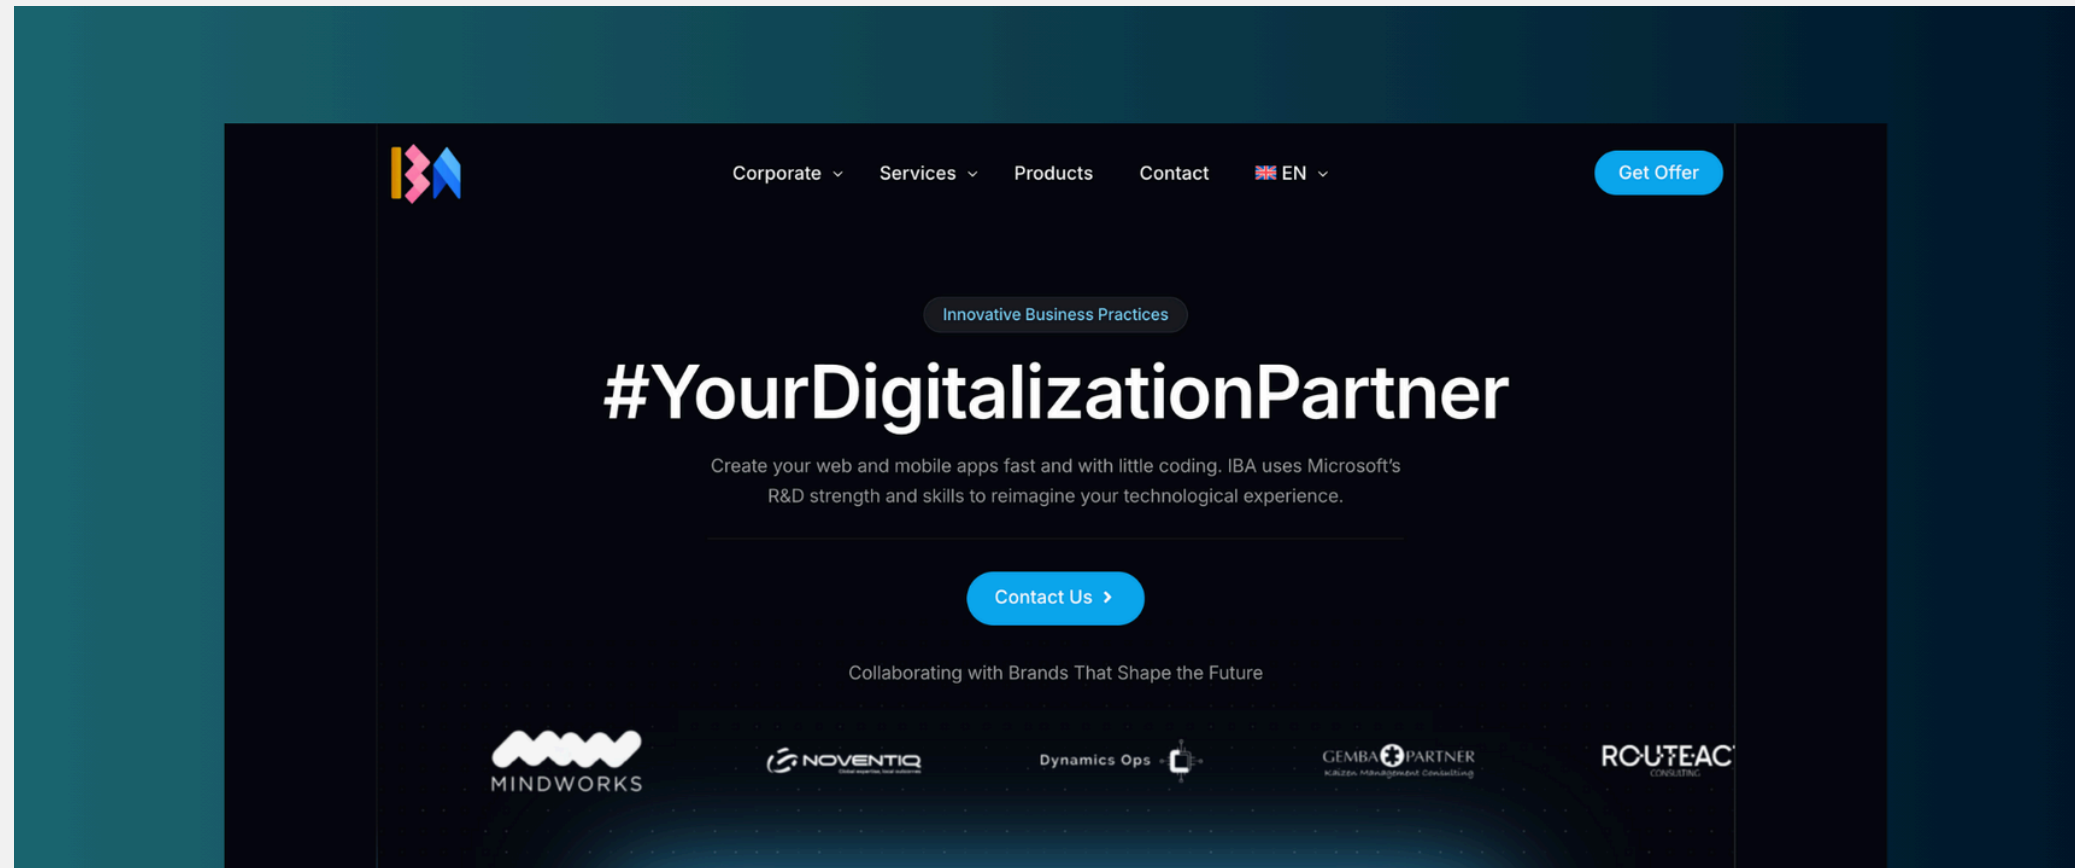

Rua Luxury Design

I designed and developed a modern, responsive website for RUA — a multidisciplinary architecture and interior design studio. The site highlights the studio's international reach, with over 600 projects in 25 countries, and communicates their commitment to bespoke, client-driven design solutions.

- Clean, elegant layout reflecting the sophistication of the studio's work
 - Modular structure to present services, case studies, and FAQs clearly
 - Seamless integration of imagery and architectural visuals to create visual impact

IBA Consultancy

I designed and developed the official website for IBA Consultancy, a company providing strategic advisory services in risk analysis, security consultancy, and crisis management across multiple sectors. The goal was to create a credible and authoritative online presence that reflects IBA's global expertise and professional integrity.

- Clean, corporate design with a structured and minimalist layout
 - Emphasis on clarity, trust, and professionalism through design choices
 - Optimized for SEO and responsive across all devices

Splendid Palace

I designed and developed the website for Splendid Palace Hotel, one of Büyükada’s most iconic historic hotels, blending timeless elegance with modern user experience. The objective was to reflect the hotel’s architectural beauty, rich heritage, and premium service through an immersive and refined digital presence.

- Visually rich layout showcasing the hotel’s architecture, interior, and island surroundings
- Integrated booking and contact functionality for seamless conversions
- Emphasis on storytelling through photography and refined typography

L'Atelier Tal

I designed the website for L'Atelier Tal, a contemporary jewelry atelier known for its refined craftsmanship and modern elegance. The goal was to create a high-end digital experience that mirrors the brand's minimalist yet luxurious aesthetic.

- Clean, airy layout with a strong focus on white space and visual storytelling
 - Elegant use of typography and subtle animations to enhance brand sophistication
 - Product-focused design with high-resolution imagery and intuitive navigation
